

SOONER

LIVESTOCK TRAILERS

UNSURPASSED DURABILITY

For more than 50 years, a Sooner stock trailer has been a symbol of quality in the livestock trailer marketplace. Today, Sooner continues to lead the industry in rugged build and critical features. Sooner offers a full line of all-aluminum, premium livestock trailers from standard 7' wide goosenecks to 8' wide custom models. Designed to endure the rigors of hauling livestock year after year, Sooner Ranch models are built to last. From the triple hollow core slat to the extruded aluminum flooring to the heavy-duty kingpin to the sturdy 2" x 6" rear frame, a Sooner livestock trailer is an investment in quality and durability. Take a moment to read through this brochure to learn more, and start the journey to owning a premium Sooner livestock trailer today!

Rugged, durable design elements and premium features are built into each Sooner Ranch livestock trailer. Visit a dealer to see the durability & features in person!

SOONER

ALL-ALUMINUM TRAILERS

7' WIDE MODELS

Sooner 7'-wide stock trailers come in two heights, 6'8" and 7'2" tall, providing your stock ample room in the best-built trailers in the industry. Sooner's sturdy construction, coupled with the most popular standard features on the market, make these trailers the clear choice for everyday hauling and long trips.

STANDARD SPECIFICATIONS

- Lengths from 16' to 30'
- All aluminum construction
- Single piece aluminum roof
- Choice of 6'8" or 7'2" inside height
- Extruded (non-skid) aluminum floor with 2" x 4" I-beams on 10" centers
- Five 16" 8 hole steel wheels with radial tires (includes spare)
- Single leg landing gear
- .063 pre-painted, white aluminum exterior finish
- Sooner exclusive, triple hollow core aluminum sidewall extrusion
- 1 5/8" x 3" side posts
- Aluminum tear-drop fenders
- Heavy-duty 3" running boards
- 2 air gaps
- Heavy-duty 54" side unload door
- Calf gate with spring-loaded latches
- Full swing center gate with slider and slam latch (2 gates on 24' & up)
- Full swing rear door with slider and heavy-duty slider brackets
- One dome light per compartment
- 8 year warranty
- Removable jack handle
- Heavy-duty Huck® bolt fasteners on the subframe
- Rear gate slam latch

POPULAR OPTIONS

- Plexiglas for all exterior air gaps
- Rubber mats in stock area
- Stainless steel nose sheet
- Black or mill finish exterior skin
- Rear or side ramps

SR 7024 - Model shown with optional black side sheets

*Phrase "all aluminum" denotes that both the skin and the frame of the trailer is constructed of aluminum. Trailers designated "all aluminum" have certain components not made of aluminum including steel axles, lighting and steel in the gooseneck (if the trailer has a gooseneck configuration).

7'6" & 8' WIDE MODELS

SR 7630 - Shown with optional black side sheets & drop vent
